Mayo's Titanic Memorial Park

A themed park is planned to permanently memorialise the Addergoole Fourteen and their tragic journey. It will stand as a symbol to all Mayo's emigrants. Plaques in the park will tell the story of the Addergoole Fourteen.

The Titanic Mayo Centenary Challenge

Killala Diocese has generously donated the land for the Mayo Titanic Memorial Park. Mayo North East Leader is providing matching funding for the park. However, the central memorial to the Addergoole Fourteen is limited. It consists of a bronze representation of Titanic's bow and only two life size bronze statues, clad in 1912 attire and luggage. More bronze statues are required to fully represent the Addergoole Fourteen. Each statue costs €8,000.

The Lahardane Community and the Addergoole Titanic Society are actively raising monies. However, substantial funding is still required for the Memorial Park. If you, your group or association, were to host a fundraiser we would be truly grateful. We could then enhance our plans as monies raised would be used for additional life size effigies.

Some groups/associations have already held a fundraiser for which we thank you!

Can you rise to the challenge?

If so, please contact Addergoole Titanic Society, either by post or email. Donors to the park's cost will be publicly acknowledged.
